COMPANY PROFILE

MONILEK Group provides Services & Product Solution for the major Oil & Gas Production, Processing and Transportation applications in this region. Monilek's major product and service portfolio includes surface and offshore solutions for producers focused on drilling and producing gas and associated gas reserves.

MONILEK operates out of its 7 strategically located operational centre's in U.A.E., Sultanate of Oman, Kuwait & India to be able to cater to client requirements in the shortest possible time frame. We have in our stock nearly 50,000 line items from some of the most renowned manufacturers.

MONILEK Group endeavors to be your window to **"TOTAL ENGINEERING SOLUTIONS"**

We are a Service and Supply Solution provider in the Middle East representing some of the world's finest engineering brands in this region. We also provide our customers with a customized "Package" solution by closely working with our international partners. With more than 100 employees whose cumulative experience and multi-lingual talents ensure that our customers get personalized, professional assistance. This concept of service based on our ability helps us provide our customers with a "Comprehensive Package Solution".

INDUSTRY SEGMENTS WE SERVICE

Oil & Gas	Power and Desalination Plants	Petro-chemical
Process Industries	Food & Pharmaceuticals	Beverage & Cosmetics
District Cooling System	Metal & Minerals	Cement Plants
Environmental Engineering	Marine & Shipbuilding	Pumping stations
Waste and Waste Water Treatment	High Voltage Industry	Electro Mechanical & HVAC
CNG Stations	Hydraulics	Smelters

ELECTRICAL & INSTRUMENTATION

- **Pressure Measurement** - Calibration of Instruments (Pressure Gauges, Master Pressure Gauges, Barometer, Manometer, Pressure Recorders, Pressure Transmitters, Pressure Switches, Pressure Control Valve, Pressure Regulator Valve, Pressure Calibrators, Hydraulic and Pneumatic Dead Weight Tester.
- **Temperature Measurement** - Calibration of Instruments (Temperature Gauges, Temperature Indicators, Thermocouples, RTD's, Glass Thermometer, Temperature Transmitters, Temperature Switches, Digital Temperature Controllers, Temperature Control Valves, Temperature Calibrators, Hygrometer, Pyrometers).
- **Process Measurement** - Calibration of Process Measuring Controllers, Transmitters, Shut off Valves, Control Valves, Flow meters, Flow Transmitters, Level Indicators and Level Transmitters.
- **Dimensional Measurement** - Calibration of Steel Rules, Measuring Tapes, Vernier Caliper, Micrometer, Dial Indicator, Height and Depth Gauges, Tri-Square Bevel Protectors, Dip rods, Staff rods, Distance Gauges and Feeder Gauges, Bevel Protectors and Bubble Level.
- **Mechanical Measurements** - Calibration of Torque Wrenches, (Snap Action, Dial Type, Digital, Double Action) and Torque Transducers, Torque Calibrators, Torque Gauges and Torque Multiplier.
- Designing, Installing, Programming, Tuning and Troubleshooting
- Instrumentation Hook-up Services
- On-Site Staffing (Long Term, Short Term, Part-time)

FLUID POWER & CONTROL

- Overhauling and Repair of Hydraulic Aggregates (Pumps, Motors, Cylinders, Control Valves, etc.)
- Designing, Manufacture, Testing, Installation & Commissioning of Hydraulic Power Units
- Trouble Shooting of all Hydraulic & Pneumatic Components & Systems
- Filtration Solutions, Contamination Monitoring & Onsite Services
- Supply, Installation, Testing, Flushing & Commissioning of Instrumentation Tubing Systems
- On Site Installation, Interconnecting Piping, Flushing, Start up and Commissioning
- CNC Machining & Fabrication
- Non-Weld Hydraulic Piping Systems
- Supply of Custom built Hydraulic Equipment including Power Packs
